NJECC Mission

To promote and support the integration of technology in education as it applies to student learning, professional development, and instructional planning. All memberships are July 1 to June 30 and include Monthly meetings, Cooperative Buying, and Special Interest Groups.

The Organization

NJECC is a not for profit organization directed by a Board of Trustees. NJECC provides membership to school districts with a wide range of services to meet many of your educational technology needs.

As a cooperative organization, NJECC offers an opportunity for networking, a forum for finding solutions to problems and a platform for sharing successes.

We provide this through monthly meetings which feature:

- Presentations by leading technology experts
- Information regarding repairs and maintenance of equipment
- Information and assistance on State and Federal Grant Programs
- Good and Welfare, a time to share problems and successes
- Special afternoon hands-on sessions

NJECC is an associate member of:

Connected learning.
Connected world.™
