

Want FREE PD? Planning to Purchase Chromebooks?

If you are planning to purchase Chromebooks between now and July 1, you may be eligible for **free professional development**. Depending on the number you purchase, you could receive as many as 6 full-days of professional development at no charge to your district.

Follow 3 simple steps to get started

Complete your Chromebook & Chrome Education license purchase

Proof of purchase is required (via invoice)

Confirm your purchase by filling out [this form](#) and select the service that's best for your organization

*Indicate the type of partner you'd like to work with: Professional Development (PD). Indicate **EdTechTeam** as your preferred partner.*

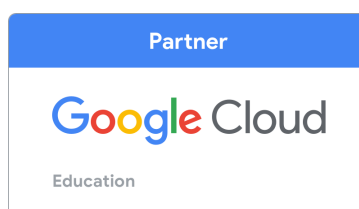

Hit the ground running

Work with EdTechTeam to determine and implement the services that best fit your organization's needs
