

Fall in Love with Epson!

SureColor T-Series printers produce **beautiful, vibrant colors** and precise detail. These printers can print on standard plain bond paper and even photography paper for that picture-perfect finish! They can **print on poster boards** up to 1.5 mm thick, and using five different types of ink: **Cyan, Yellow, Magenta, Matte Black, and Photo Black.**

T3270	T5270	T7270
24" print width	36" print width	44" print width
28 second print speed	25 second print speed	25 second print speed
