

Microsoft licensing programs are designed to meet school budgets...whether you want perpetual (Select Plus) licenses, or wish to have access to the latest in technology that Microsoft has to offer in the way of annual subscriptions with Software Assurance (OVS, EES), we have the most cost-effective solutions for you! Districts can now budget for renewals, with 3-year price-protection, and have access to the latest technology, while maintaining license compliance.

Annual Subscription, based on faculty/staff FTE count, unlimited installs, upgrade protection and WAH rights!	OVS-ES	OVS_ES
